

CA-D38999-B200-CCC (Fork, DB9)

### Circular Connector

MIL-DTL-38999 Serie III Straight Plug

### Custom Terminations

Bare Wires, Fork, M12, DB9, AC/DC Adapters

### Shielded Cable

Raychem 44A0111-22

Tin plated Copper Sleeving Braid

### Operating Temperature

-55°C to 125°C *Excluding AC/DC adapters*

Rugged circular connector cable assemblies for DC power supply and serial interfaces of P6000 and S-6000 Transceivers. It includes a defence grade MIL-DTL-38999 connector, shielded cable of configurable length, and custom terminations to match any platform.

The cable assembly features vibration/shock robustness and extended temperature range for operating in ground and airborne platforms.
