

CA-D38999-B200-CCC (Fork, DB9)

Circular Connector Series

MIL-DTL-38999 Serie III
Amphenol 2M 801 Series
Glenair Mighty Mouse 800 Series

Custom Terminations

Bare Wires, Fork, M12, DB9, AC/DC Adapters

Shielded Cable

Raychem 44A0111-22
Tin Platted Copper Sleeving Braid

Operating Temperature

-55°C to 125°C *Excluding AC/DC adapters*

Rugged circular connector cable assemblies for DC power supply, Serial, and Ethernet interfaces of BERTEN Radios. They include shielded cable of configurable length, and custom terminations.

The cable assemblies feature vibration/shock robustness and extended temperature range for operating in critical ground, maritime, and airborne platforms.

Part Numbering CA - D38999 - A 100 - BWR

Series	Model	
D38999	A	26FA35SN
D38999	B	26FB35PN
2M801	E	007-26M8-13PA
MM800	I	009-06M7-10PN

Length, cm	Termination	
100	BWR	Bare Wires
250	DCx	AC/DC Adapter
500 max.	CCC	Custom
